ACCESS TO YOUR APARTMENT

In order to handle emergency situations, it is important that we have access to your apartment; therefore, you may not change the lock to your apartment. Contact your on-site caretaker if you have concerns regarding your locks.

AIR CONDITIONERS

For maximum cooling, run your unit on Hi Cool with the air exchanger in the closed position. Running the A/C with the air exchanger open cuts down cooling efficiency 50%. Do not place large objects in front of the A/C. Try to keep drapes or shades closed when running the A/C. Do not be concerned about running your A/C all day. It is less expensive to run your unit on Low Cool from 9am – 9pm than it is to run it on Hi Cool from 5pm – 10pm. Wash the A/C filter at least twice a month in mild soap and water solution. Rinse and wring dry. **NEVER RUN YOUR A/C FOR ANY REASON IN FREEZING WEATHER.**

You will be supplied an A/C cover, which is mandatory to use during the winter months. This will also save money on the heating bill. If A/C cover is not in your unit at the time of vacating, tenant vacating will be charged for replacement.

We do not allow tenants to install their own window A/C's.

BALCONIES/PATIOS

Only appropriate outdoor furniture and decorative plants may be kept on your balcony or patio. Do not hang laundry items or rugs on your balcony or patio. No storage of any kind is allowed on balconies/patio areas. Birdfeeders are prohibited. Grilling on any balcony or patio is not permitted.

BARBECUING

Barbecuing regulations and restrictions vary from city to city and county to county. LESSEE(S) will abide by these regulations as well as the regulations of the Management Office. In most cases, barbecuing is not allowed on the premises. Check with your on-site caretaker or manager for the regulations for your residence. Barbecuing is never permitted on any balcony or patio. (See also "Flammable/Explosives")

BLINDS

All units come with blinds on the windows. We expect you to keep them clean. Please open and close the blinds carefully. If you have a problem with your blinds please contact your caretaker.

BUSINESSES

No business of any kind may operate out of any residence and/or garage.

CABLE TV

Where cable television is available, LESSEE(S) are responsible for contacting the cable company to subscribe and for paying the installation and monthly charge. At move-out, LESSEE(S) are responsible for ordering disconnection service and for returning the cable box to the company.

CARPETS

LESSEE(S) are responsible for vacuuming their carpet on a regular basis. Any spill should be rinsed immediately with plain water and blotted (not rubbed). Stains and/or damage to carpet will result in deductions from your security deposit at the time you move out. *Please be reminded that a carpet preparation/maintenance fee will be deducted from your security deposit at move-out per your Lease Agreement.*

CASH

The office and the on-site caretakers/managers are not equipped to handle and store cash payments. Management does not accept cash for payments due.

CHILDREN

LESSEE(S) are responsible for the conduct of their own children and the children of their guests. Playing or running is not permitted in the corridors, stairwells or garages. Toys, bikes, etc. may not be left in the corridors, common areas or outdoors.

LESSOR may terminate any Lease, if in its opinion, LESSEE(S) children are not kept under proper control. All children must be supervised by an adult at all times. All children returning from school or other activities must have access to their apartment. The failure of the LESSEE(S) to provide such access or supervision shall constitute breach of Lease.

CHRISTMAS TREES

Live Christmas trees are permitted. Trees **must be wrapped** before being carried in or out of any part of any building, including hallways and garages. A clean-up fee will be charged if debris from your tree is left in or around the building. Live wreaths are not permitted on the corridor side of apartment doors.

CIRCUIT BREAKERS

If the electricity in part of your apartment is off, check the circuit breakers in the circuit breaker box. If the breaker switch is off, switch it to the "on" position. Make sure the breaker is complete off before switching it back on. If you cannot restore power, report it to your on-site caretaker or manager.

CONTROLLED ACCESS ENTRY SYSTEM – ADMITTING GUESTS

If your building is equipped with a "controlled access entry system", visitors must ring your apartment to gain access. Please verify who is calling you before allowing entry. Do not hold the entry door open for anyone unless you know him or her. Doors should not be propped open for any reason. Controlled access entry systems will be only as effective as LESSEE(S) make them.

COUNTERTOPS

Please do not use your countertop areas for cutting/carving. Please do not place hot pots or pans directly on the countertops.

CRIME FREE/DRUG FREE HOUSING ADDENDUM

All LESSEE(S) are required to sign a crime free/drug free housing addendum. This addendum must be read carefully by all LESSEE(S). Please be reminded that you are responsible for the actions of members of your household and/or person(s) under your control/supervision.

DECORATING

NO contact paper is allowed on cupboards and shelves. Small nails are permissible in hanging pictures, etc. Do not use tape-on or stick-on wall hangers. No physical changes or alterations may be made at any residence. Wallpaper or painting is not allowed without express written consent of LESSOR.

DELIVERIES

Management and their employees assume no responsibility for the condition or contents of packages upon delivery. All packages left with on-site personnel must be picked up within 48 hours or they will be returned to sender.

DISHWASHERS

If your residence is equipped with a dishwasher, please run it occasionally even if you do not use it normally, in order to prevent freeze-up problems. To get rust or stains off the inside of a dishwasher, put 1 packet of dry Kool-Aid brand lemonade in the soap dispenser, do not add soap and run the dishwasher through a full cycle.

DISTURBANCES

Every LESSEE(S) and occupant has the right to a peaceful and quiet environment. We request the cooperation of everyone, guests as well as LESSEE(S), in exercising courtesy and good judgement with regard to maintaining reasonable noise levels. Consideration of your neighbors when entertaining or using your stereo or television is appreciated. Objectionable conduct or conduct constituting a nuisance, including public drunkenness, obscenities and violent or abusive behavior will not be tolerated and will be grounds for eviction.

EMERGENCIES

For any LIFE-THREATENING emergency please call 9-1-1. If the emergency endangers other LESSEE(S) (i.e. fire, crime) please notify your on-site caretaker or manager after calling 9-1-1.

EXTENSION CORDS

No extension cords are to be run from any residence. This eliminates all types of automobile plug-in heaters. No extension cords, multi-plug outlet bars or adapters plugs are to be used in any residence. Use of these items is a violation of city fire codes.

FIRE DOORS

Doors connecting stairwells and hallways are fire doors. State Fire Code Regulations require that these doors be closed at all times. Propping these doors open is not allowed.

FLAMMABLES/EXPLOSIVES

The use or storage of any flammable liquids (i.e. gasoline, kerosene, etc.) or any explosive or hazardous materials is prohibited anywhere on the premises of all properties. This includes, but is not limited to, balconies, patios, apartments, garages and storage areas.

GARAGE DOOR OPENERS

Management does not repair or replace garage door openers at any of its properties, with the exception of the Round Lake Estates apartment buildings. Please see attached addendum.

GARBAGE DISPOSALS

When using your garbage disposal, remove hard plastic disposal cover from disposal and turn on a full flow of COLD water. To avoid drainpipe blockage, allow water to flow for a minimum of 15 seconds after grinding cycle is completed. Do not at any time insert any item into your disposal that is not edible. Small table scraps should be only thing put in disposal. Rice and pasta, grease and oil or stringy vegetables will clog the pipe and lead to costly plumbing repairs that you will have to pay for, so please avoid. If for some reason your disposal doesn't function, please locate the reset button either on the top or bottom of the disposal unit. If after depressing the reset button the disposal still does not function, contact your on-site caretaker for a maintenance request.

HALLWAY COURTESY

In all apartment buildings, doorways must be kept clear of clutter for safety and appearance purpose. Do not put entry mats or boots outside your apartment door. Avoid loud conversations in corridors, as well as running or other nuisance level noises.

HEAT

The amount of heat to your home can be regulated by the thermostats provided. Please contact our office should you experience a heat/thermostat problem.

KEYS

Upon move-in you will be given all necessary keys and garage door transmitters, if applicable. All keys and transmitters must be returned to your on-site caretaker or manager upon move out. Keys may not be duplicated. The charge for lost/stolen keys is \$5.00 for apartment or mailbox key. For a security building key, the charge is \$75.00. In the event that a lock change is needed/requested, the charge will be \$115.00 per lock (most units have more than 1 lock). The charge for lost/stolen garage transmitters is \$48.00.

KITCHEN/BATHROOM CABINETS

Do NOT hang wet towels or rags on the doors of the cabinets. The wet rags will damage the wood and cause it to warp.

LANDLORD/TENANT RIGHTS

The rights and duties of landlords and tenants in Minnesota are spelled out in the handbook, Landlord and Tenants: Rights and Responsibilities. You may contact the State Attorney General's Office for a free copy.

LAUNDRY ROOMS

Laundry room hours are 8:00am – 9:30pm. Management is not responsible for lost or stolen articles. Dye in the washing machines is not permitted. Please clean out pockets before using machines. To insure that you are not charged for any pre-existing imperfections, we ask that you carefully fill out your move-in inspection sheet. 3. UNATTACHED GARAGES: Please keep your garage doors closed at all times.

4. ATTACHED INDOOR PARKING: When either entering or exiting the garages please wait for the door to close completely prior to exiting your car or the community. When parking, we require that you park the front of your car towards the wall to avoid damage to our storage facilities.
5. OUTDOOR SPACES: Do not back into an outdoor parking space. This can cause car fumes to enter the building. Park as straight and centered as possible.

Revised 07/16/2018

Page | 4

6. OUTDOOR DUPLEX DRIVEWAYS: Garages are designed to accommodate two (2) vehicles only. Only one (1) vehicle is allowed to be parked in the driveway overnight. Garages are not to be used as a storage facility, and no outside storage of items is allowed.

Overnight or long-term parking of boats, RV's, trailers, snowmobiles, etc. in lots or garages is prohibited.

PEST CONTROL

The best way to avoid "bug" problems is to keep a neat, clean home. In the event an invasive bug (not the occasional spider) is sighted in your home, contact the caretaker. You are required to cooperate fully with any pest control treatments that Management deems necessary. This may include tenant(s) emptying and cleaning cabinets, drawers and closets, pulling furniture away from walls and allowing exterminator to enter and treat the apartment or the premises.

Bed Bugs: If bed bugs are found in your unit, Management must be notified immediately. Extermination must be performed by professionals to be effective. Any cost incurred associated with the treatment may be passed onto you the tenant, including any damage to personal property or the unit. Failure to report bed bug infestations may result in termination of your Lease.

PETS

Pets are not permitted. This includes cats, dogs or any caged animal such as birds, hamsters, gerbils, mice, rabbits, snakes, etc. A fish aquarium may be permitted with written permission from your Management Office. We reserve the right to restrict the size of aquariums.

PLUMBING

Familiarize yourself with water shut-off valves in your unit. Your caretaker can assist you if needed. Should you at any time during your stay experience a water leak in either the kitchen or bath areas, please contact your on-site caretaker immediately. Locating the water shut off valves under sink areas and behind the toilet may shut off the water supply to the faucets and toilet.

RECYCLING

Recycling programs will vary depending on your location and residence. Please check with your on-site caretaker or manager for the recycling program for your home. LESSEE(S) will abide by all posted recycling regulations.

REFRIGERATORS

If your current refrigerator is not frost-free please defrost if there is approximately one inch of frost in the freezer. Do not use sharp objects to remove ice/frost from the freezer walls, as they will puncture the freezer walls. If your refrigerator is frost-free it will require little maintenance. If you experience any maintenance problems with your refrigerator, please contact the on-site caretaker or manager.

RENTER'S INSURANCE

LESSOR is not responsible for any loss or damage or injury that is done to the LESSEE(S) or his/her property, guest or guest property, not otherwise covered by insurance; or for loss of articles by theft from any cause, from premises or building.

Have your insurance agent provide Tyme Properties with a Certificate/Proof of Insurance. There should be no charge to you for this.

RENT PAYMENTS

Rent payments must be postmarked on or before the first day of each month and are considered late on the second day of the month. If rent is not received on or before the due date a late fee will be assessed. CASH payments are not accepted at any time. Page | 6

SOLICITING

No soliciting is permitted at our properties. You are encouraged to contact your on-site caretaker or manager if you are aware of any solicitation.

SPEED LIMITS

Reduced speed is required when driving in any common parking area or driveway. Speed should be kept down to 5–10 miles per hour to insure the safety of all LESSEE(S) and their children.

STORAGE FACILITIES

Most apartment homes offer storage outside of your apartment. The storage of hazardous materials or illegal property is prohibited. Management is not liable for personal items stored in on-site storage areas. (See also Renter's Insurance)

STOVE/OVEN

Your stove is electric. Occasionally food may build up on the bottom of the oven. Should this happen it may be necessary for the oven interior to be cleaned. We suggest that you purchase a good commercial oven cleaner and follow all directions carefully. **DO NOT USE COMMERCIAL OVEN CLEANER ON A SELF CLEANING OR CONTINUOUS CLEANING OVEN.**

Some of our apartment homes offer self-cleaning or continuous cleaning ovens. A continuous cleaning oven cleans every time you bake/use the oven. To clean off baked on foods, please first make sure oven is cool to touch then use a mild soap and water solution to clean the interior oven walls. Please refer to owner's manual if you have any questions. When using the burners, please be reminded that electric ranges do not cool down as fast as a gas range when they are first shut off. Please use extra care.

SUBLEASING

Management does not allow the subleasing of any apartment home.

TELEPHONE SERVICE

You must contact the appropriate phone company directly to place your order for new service. If the telephone company must gain access to your residence (usually not necessary) your on-site caretaker or manager can allow them access if they are notified. Please be sure to notify your on-site caretaker or manager of your new phone number. At move-out, please remember to have your service disconnected and, if you have made any alterations (to accommodate a computer or extra line) be sure that the telephone equipment in your residence is returned to its original condition.

TRANSFERS

There will be a \$100.00 charge for any transfer from one residence to another and a new security deposit is required. A two-month written notice of your desire to transfer must be received/post-marked by the Management office prior to the last day of the month. Approval of the transfer is at the discretion of management.

TRASH DISPOSAL Trash dumpsters are located throughout the community for your convenience. Please dispose of all trash properly. Do not send small children to the dumpster with trash, as they are not tall enough and/or strong enough to lift the heavy lids and place the trash in the dumpster. Please remember to close the lids after use.

VACATE NOTICES (see also SECURITY DEPOSITS)

Once you have given your vacate notice, you should receive a confirmation letter confirming your vacate date and an informational letter containing cleaning information and hints for you. All cleaning should be done before checkout time. Once you have given your vacate notice, your residence may be shown to prospective new LESSEE(S).

If one tenant(s) chooses to vacate, but their income was included to qualify, the remaining LESSEE(S) must re-apply to qualify without vacated tenant(s) included. The vacating tenant(s) would remain liable for rent for remainder of the Lease. If the remaining LESSEE(S) do not qualify on their own they are in default of the Lease and could be subject to eviction.

3. The sticker must be displayed in the inside lower section of the windshield on the passenger's side (front seat) of the vehicle.
4. The sticker is not transferrable to different vehicles. It can only be used for the vehicle to which it is assigned. A new sticker must be purchased for a change in vehicles. If a temporary car is used, it should be parked on the street.
5. The stickers are only allowed in the complex tenant's vehicles. They cannot be used on the vehicles of friends or family.
6. All vehicles parking in the apartment complex lot must have the stickers properly displayed at all times.
7. The sticker does not guarantee a parking spot, but it allows the resident the most opportunity for a spot.
8. This sticker is only valid during the time there is a current signed lease at the management office.
9. Any deviations from the above-mentioned items subject the vehicle to being towed at the owner's expense.

The parking lot will be checked regularly by the Resident manager. Disabled vehicles, or vehicles that are an eye sore to the parking lot i.e.; vehicles with a flat tire, missing windows or doors, will not be allowed to park in the lot. "Snowbirds" and "junkers" are defined as "vehicles that cannot regularly maneuver under their own power and cannot be moved on a minute's notice." These vehicles and unlicensed or expired vehicles will be towed at the owner's expense.

If you leave the area for any time, make sure you have made arrangements for someone to move your car. There will be occasions that all vehicles must be removed, or they will be towed at the owner's expense.
